IMPORTANT NOTICE FROM SHEET METAL WORKERS LOCAL 7 ZONE 2 HEALTH CARE PLAN ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the Sheet Metal Workers Local 7 Zone 2 Health Care Plan and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

These are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The Sheet Metal Workers' Local 7 Zone 2 Health Care Plan has determined that the prescription drug coverage offered by the Fund is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?

If you do decide to join a Medicare drug plan and drop your current Sheet Metal Workers' Local 7 Zone 2 Health Care Plan coverage, be aware that you and your dependents will not be able to get this coverage back.

WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?

You should also know that if you drop or lose your current coverage with Sheet Metal Workers' Local 7 Zone 2 Health Care Plan and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

FOR MORE INFORMATION ABOUT THIS NOTICE OR YOUR CURRENT PRESCRIPTION DRUG COVERAGE...

Contact the Fund Office at (866-887-4338) for further information. Note: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Sheet Metal Workers' Local 7 Zone 2 Health Care Plan changes. You also may request a copy of this notice at any time.

FOR MORE INFORMATION ABOUT YOUR OPTIONS UNDER MEDICARE PRESCRIPTION DRUG COVERAGE...

For more information about Medicare plans that offer prescription drug coverage it is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

RE: WOMEN'S HEALTH AND CANCER RIGHTS

Dear Plan Participant:

The Trustees of your Health Care Plan are issuing this annual notice in compliance with the Women's Health and Cancer Rights Act of 1998. Your Health Care Plan already provides the benefits required by this law. You have a right to this notice, and the Trustees are providing the notice for your information so that you may be assured that you are treated in accordance with Federal Law if the need arises.

The Federal Law requires that all health care plans that provide medical and surgical benefits for mastectomies and provide participants and beneficiaries receiving mastectomy benefits and who elect mastectomy related breast reconstruction with coverage for the following:

- **Reconstruction of the breast on which the mastectomy has been performed.**
- **Surgery and reconstruction of the other breast to produce a symmetrical appearance; and**

Prostheses and physical complications of all stages of mastectomy including lymph edemas; in a manner determined in consultation with the attending physician and the patient. Such coverage may be subject to annual deductibles and coinsurance provisions as may be deemed appropriate and as are consistent with those established for other benefits under the plan or coverage.

The Fund has provided coverage for mastectomies for a number of years. As part of this coverage, the Plan also covered the procedures necessary to effect reconstruction of the breast on which the mastectomy was performed, as well as the cost of prostheses and physical complications of all stages of mastectomy, including lymph edemas, as recommended by the attending physician of any patient receiving Plan benefits in connection with the mastectomy and in consultation with the patient. The Plan also covers any surgery and reconstruction of the other breast to achieve a symmetrical appearance.

Please keep this notice with your Summary Plan Description. If you have any questions regarding these federal requirements, please contact the Fund Office.

Sincerely,
Board of Trustees

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2024. Contact your State for more information on eligibility –
